## FROM THE CHAPTER DIRECTOR'S DESK:

Hello everyone and Happy October.

Last month, nominations for next year's Chapter Director were opened. Nominations will stay open until our Breakfast Meeting in November. At the November Breakfast Meeting, the election will be held. The results will be announced at the Xmas Party in December.

Our after breakfast ride last month went to Jalama Beach in Santa Barbara County. Those participating in the ride were: Lee Ann & Darrell Davidson, Jim Brown, Teresa & Marshall Throneberry, Walt Charter, and myself. Went a different route this time, over San Marcos Pass past Lake Cachuma, through Solvang and Buellton, and then across Santa Rosa Rd. to PCH. The weather at Jalama Beach was partly cloudy and cool, a nice change for the heat earlier in the week.

On Saturday September 19<sup>th</sup>, we had our monthly dinner ride. This month we went to Famous Dave's BBQ in Simi Valley. The group ride from the Ventura Community Park included myself, Jim & Linda, and David Gonzales on his BMW. Jim & Linda met David at Cal Coast Motorsports this afternoon and invited him to join us for the dinner ride. Leigh rode in the car with Bruce & Signe. Ole' & Karla met us at Famous Dave's BBQ. I hope David comes back and rides with us again.

On Sunday September 20<sup>th</sup>, Leigh and I met Marshall & Teresa Throneberry for breakfast at Café 126 in Saticoy. The Throneberry's and I were riding up to Tehachapi for the GWTA So. Cal. Picnic. In terms of "It's Small World", Marshall & Teresa "DJ'ed" a dance on Saturday night and David Gonzales and his girl friend Connie are members of the dance group. So, Marshall & Teresa invited David & Connie to join us for Sunday breakfast and ride up to Tehachapi. David rode his GL1800 today since we were going for a longer ride. Only problem we arrived at the picnic at 12:30 pm just as everyone was getting ready to leave. Seem like they ate at 11 am. Oh well, we had nice ride.

Then on Thursday September 24<sup>th</sup>, ACD Dan Baughman had his knee replacement surgery. Everything went OK, but this serious stuff and it will take some time until he recuperates and is able to ride his 'Wing.

So until next time, Ride Safe

Chuck & Leigh
